The purpose of these quizzes is to provide the students with regular graded feedback on their understanding of the course material and to prepare them for the exams. The quizzes also ensure a student's regular and on-time attendance for the weekly class time. The lowest quiz score for each student will be dropped.
- **Homework** -

Use three sources, including Our Hymns, Our Heritage. Due on Friday, December 6. Choose from among the hymns contained within Our Hymns, Our Heritage
- **Personal Project** - Write a hymn text in a standard metrical pattern and fitting it to an existing tune. Select a co-author (anyone living) to create the hymn with you. This experience will give students a greater appreciation for hymns they encounter. Due on Friday, December 13.

Canvas: Canvas is an online course management system for college courses. It will be used in this course for online submission of assignments and for posting grades, announcements, and access to relevant course documents. Further details on how to set up a Canvas account and access this course can be found in the appendix to this document.

Assessment: Assignments will have the following grade weights:

Assignment	Grade Weight	Notes
Quizzes	30%	Almost weekly, according to the course schedule. Lowest quiz score dropped
Personal Project	30%	Due 12/13/24
Hymn Memorization	15%	Due 12/20/24
Hymn Paper	15%	On 12/6/24
Chapel Participation	10%	Weekly

We will use the following thresholds to convert raw scores in the course into letter grades:

- A+: $\geq 98\%$
- A: $\geq 92\%$
- A-: $\geq 90\%$
- B+: $\geq 88\%$
- B: $\geq 82\%$
- B-: $\geq 80\%$
- C+: $\geq 78\%$
- C: $\geq 72\%$
- C-: $\geq 70\%$
- D+: $\geq 68\%$
- D: $\geq 62\%$
- D-: $\geq 60\%$
- F: $< 60\%$

Depending on the distribution of raw scores at the end of the semester, these thresholds may change; however, the final thresholds will be no stricter than the current thresholds. For example, if you receive a raw score of 85% in the course, you will be guaranteed a letter grade of at least B; however, it may happen that you receive a higher letter grade depending on the overall distribution of raw scores.

Late Policy:

Assignments are expected to be submitted prior to the due date. If there are extraordinary circumstances outside of the student's control, they may request an extension from the teaching staff.

Additionally, it is often the case that due to any number of other circumstances, a student finds that they are unable to adequately complete a given assignment. In such cases, the student is welcome to submit the assignment after the due date, up to the end of the semester; however, a late penalty will be given for such a late assignment. The standard late penalty is a 20% flat reduction in grade for the given assignment. This late penalty is meant to penalize late submissions and encourage timeliness, while still allowing the student to still finish the given assignment to the best of their ability even if they are unable to complete the assignment for some time due to any extended circumstances.

This late policy is subject to instructor discretion. The 20% late penalty policy is intended to allow for unique or difficult but not extraordinary circumstances. Any student who abuses this policy, per the instructor's discretion, is liable to have this policy revoked and the grade revert to either a zero or that based on any submission prior to the due date.

Appendix: Academic Integrity

Students are expected to hold themselves to a Christian standard of ethics in all matters. This includes, but is not limited to, refraining from any forms of plagiarism, cheating, sharing or acquiring any materials that would give a student an unfair advantage, or any dishonest representation of one's work. Below are outlined the consequences for an infringement of academic integrity for a given assignment:

- First offense – A grade of zero is given for the assignment; the professor must notify the Registrar and Dean of Students. A statement goes into the student's file.
- Second offense – A grade of F is assigned for the course; the professor must notify the Registrar and Dean of Students. A statement goes into the student's file. The Dean of Students and/or Registrar will notify faculty of students who incur a second offense in this area.
- Third offense – The professor must notify the Registrar and Dean of Students. A statement goes into the student's file and the student may be suspended or dismissed from this institution.

Appendix: Policy on Use of Generative Language Models For Written Assignments

The use of generative language models, such as ChatGPT, is not strictly prohibited and in some cases is very much encouraged as a research and brainstorming tool. However, all written assignments submitted as your own work should reflect your own personal writing. This prohibits copy and paste use of such tools, however, you may feel free to quote such tools provided that you make clear it is a quotation.

In general, you should treat generative language models as equivalent to speaking to another person. You may gain insight from them and be able to improve your value and productivity, but you should not misrepresent someone else's work as your own. These tools may also be treated somewhat like calculators in a math class. You may use them when appropriate and assignments may even assume their use in some ways, but all submitted work must be your own unless specified otherwise.
